

Corso di Laurea di laurea in Infermieristica Sedi Coordinate di Udine e Pordenone
Program Erasmus Staff Mobility from University College Capital – UCC, Denmark

May 16th – 19th 2017

Short presentation

Merete Brædder Head of the nursing department - UCC

Waltraut Lissau RN, MA, assistant professor, PhD student.

Preceptor for nursing students and teaching at the specialization for intensive care nurses. She is interested to know the structure of our nursing education and meeting with your students and staff to exchange knowledge and experience.

Kim Jørgensen RN, Lektore, Ph.D. Student.

He is very concerned about Danish psychiatry, so he is interested to teach to the nursing students but also to exchange experience with teaching and clinical experience in psychiatry.
