

Seminars

Cellular senescence and human aging

**SEMINAR ROOM (DMED)
P.LE KOLBE, UDINE**

**17TH DECEMBER
ORE 14**

CLAUDIO BRANCOLINI
Università di Udine
**La Scuola Superiore Universitaria
di Toppo Wassermann**

MARCO DEMARIA
Professor in Cellular Ageing and Senescence,
European Research Institute for the Biology of
Ageing. Director, Institute for Mechanisms of
Health, Ageing and Disease (MoHAD),
University Medical Center Groningen (NL)
Cellular senescence in aging and cancer

**18TH DECEMBER
ORE 9.30**

MARCO DEMARIA
**Heterogeneity in cellular senescence: from
mechanisms to interventions**

**Segreteria Organizzativa
Segreteria Amministrativa
0432 249630/4/5/6**
