## SEMINARIO

**5 MAGGIO 2026, ORE 15:00**  
**Aula C11 Polo Scientifico Rizzi**  
**via delle Scienze, 206**  
**Udine**

# Sustainable building: Thermal Comfort, Energy Efficiency and Insulation Strategies

## INTERVENTI

**Comfort or Cost? Thermal Comfort  
vs. Energy Savings in Buildings**  
Prof. Dorota Krawczyk  
Bialystok University of Technology -Poland

**Thermal insulation solutions for opaque envelopes  
of low energy buildings that match  
the global sustainable development vision  
- thermal performance evaluation**  
Prof. Beata Sadowska  
Bialystok University of Technology -Poland
